TERMS AND CONDITIONS OF NEXTLIGHT™ CHARTER MEMBER PROGRAM

As a new, community-based fiber network, LPC has implemented a program to selectively reward those Longmont residents that are among the first to become customers. Those Longmont residents who sign up for service when it first becomes available in their neighborhood will become "Charter Members" and receive special pricing of \$49.95 per month on LPC's flagship Internet service.

The program requires customers to meet certain qualifications to qualify for, and retain, Charter Member status:

- The Charter Member program is only available to residential customers that subscribe to the 1Gbps Internet service.
- To qualify, a customer must order 1Gbps Internet service within the first 3 months of service becoming available to their home. LPC will publish the service availability date and the deadline for subscription.
- Charter Member pricing will be ongoing so long as the customer maintains Internet service with LPC without a service disconnection.
- If a Charter Member moves within the LPC service territory, the special rate will continue to apply so long as the 1Gbps service is transferred to the new address at the time it is discontinued from the Charter Member's existing address. If the new address is in the LPC service territory but does not yet have LPC broadband available, the Charter Member will be able to re-qualify for Member status by ordering the 1Gbps service prior to the 3 month deadline at the new location.
- The Charter Membership program is transferable with a property sale so long as the service is transferred to the new resident when the original Charter Member discontinues service. The new resident must order the 1Gbps Internet service.
- LPC reserves the right to change or modify the program qualifications, restrictions, and pricing at any time. Restrictions regarding abusive usage will apply at LPC's sole discretion. LPC Gig service is non-dedicated, symmetrical bandwidth of up to 1Gbps downstream and upstream. Throughput levels are best-effort and not guaranteed.
